The screenshot shows the Tenorshare Windows Boot Genius application window. The title bar includes the Tenorshare logo and the text "Windows Boot Genius". On the left, there is a sidebar with two menu items: "How to create bootable CD/DVD or USB drive" (which is selected and has a right-pointing arrow) and "How to boot Windows from CD/DVD or USB drive". The main content area contains an introductory paragraph: "Tenorshare Windows Boot Genius is the comprehensive repair software for any Windows boot issues. It owns more than 20 tools to meet all emergency repair and daily maintenance needs for your computer. This wizard below will guide you to create a bootable CD/DVD or USB drive. You can boot your computer from this bootable CD or USB drive to repair your crashed or worked abnormally computer." Below this is a section titled "Choose your CD/DVD or USB Flash drive" with the instruction "Please select CD/DVD or USB drive and click 'Burn' to start burning process." There are two options: "CD/DVD" (selected with a radio button) and "USB Flash drive". The CD/DVD dropdown menu shows "D: [NECVMMWar VMware IDE CDR10 1.00]" and the USB Flash drive dropdown shows "A: [WD 2500BEV External]". Below these options, it says "Please click 'Burn' to begin bootable disk creation:" followed by a large yellow "Burn" button. At the bottom left of the main area, there is an information icon and the text "Status: Ready!". At the bottom right, there is a note: "If you are not familiar with burning process and have questions about booting windows from created CD/DVD or USB drive, please refer to [How to create bootable CD/DVD or USB drive](#), [How to boot Windows from CD/DVD or USB drive](#)."
